## ALMOST QUARTER OF MILLION JUMP IN CARGO VALUE

Sugar on Georgian Will Bring  
Fat Price on Arrival at New  
York; Olaa Gains \$53,000  
From Slides at Panama

### WAIALUA, EWA, ONOMEA TO PAY BIG PROFITS

Four December Dividends An-  
nounced This Morning Total  
\$450,000; Brewer & Co. to  
Return 24 Per cent for 1915

Friday morning the American-Ha-  
waiian freighter Georgian is due at  
New York with 8000 tons of Big Island  
sugar aboard—sugar which has in-  
creased almost a quarter of a million  
dollars in value in transit since the  
vessel left Hilo September 28.

On the date of sailing sugar was  
only 3.82, making the cargo worth  
\$611,200. Because of slides in the Pa-  
nama canal the vessel had to go around  
by the Straits of Magellan, and today  
because of the long voyage the cargo  
is enormously enhanced in value. At  
5:35, yesterday's price, the 8000 tons  
aboard is worth \$658,800, an increase  
of \$247,600.

This shipment's jump in value is as-  
cribed as one of the causes of the  
big increase in the price of Olaa,  
which company is understood to have  
something more than 1600 tons aboard  
the Georgian. The Olaa sugar, worth  
about \$127,000 when shipped, will, if  
prices stay at the present mark until  
Friday, bring the company about \$180,  
000—an increase of \$53,000, for which  
the Panama slides may be thanked.

Wailua, Ewa, Onomea.  
Three sugar companies declared fat  
dividends this morning—Wailua, Ewa  
and Onomea, while C. Brewer & Co.  
also announce a large extra dis-  
bursement.

Wailua directors have announced  
the payment of a 2 1/2 per cent divi-  
dend on December 15, of which 1 per  
cent will be the regular monthly divi-  
dend, and 1 1/2 a December special.  
This will bring the company's pay-  
ments for the calendar year 1915 up  
to 13 per cent, or \$540,000, the com-  
pany having a capital stock of \$4,500,  
000.

The extra dividend on Wailua will  
be \$25,000, and the regular \$45,000,  
total December payment of \$112,500  
for the company.

Ewa directors, also meeting this  
morning, declared an extra dividend  
of 2 per cent, payable December 31,  
in addition to the regular of 1 per cent,  
which is paid monthly. Ewa has a  
capital stock of \$5,000,000, and the to-  
tal December dividends will be \$150,  
000, \$50,000 being the regular monthly  
disbursement, and \$100,000 the Decem-  
ber extra.

Onomea, which has a capital stock  
of \$1,500,000, raised its rate to 30 per  
cent for the year this morning, by the  
declaration of a special, payable Decem-  
ber 30, of 4 1/2 per cent, in addi-  
tion to the regular 1 per cent paid  
monthly. This makes a payment this  
month of \$110 per share for Onomea  
owners, the special totaling \$67,500  
and the regular \$15,000, a total of \$82,  
500. Onomea's total dividends for  
1915 will amount to \$450,000.

C. Brewer & Company, Ltd., will  
have paid 24 per cent this year, a to-  
tal of \$720,000 profits, when on De-  
cember 31 the special of 2 1/2 per cent  
declared this morning is paid out with  
the regular monthly 1 per cent. The  
Brewer capital stock is \$3,000,000, and  
the extra dividend will come to \$75,  
000 in addition to the \$30,000 called  
for by the regular.

The four December dividends an-  
nounced above make the neat total  
of \$450,000.

## SCULLY PLEADS GUILTY ON TWO OPIUM CHARGES

Pleading guilty to two indictments  
charging him with transporting and  
otherwise handling opium, John T.  
Scully this afternoon was sentenced to  
serve two months in Oahu prison in  
each case and pay the costs of the  
court. The court further ordered that  
these sentences run concurrently with  
the 18 months he now is serving in  
the penitentiary on another opium  
charge.

- WOMEN TO FORM  
LOCAL BRANCH OF  
NAVY LEAGUE OF U. S.
- In response to the notification  
issued by Mrs. Walter F. Dilling-  
ham last Saturday, a number of  
women of Honolulu will meet to-  
morrow morning at 10 o'clock  
on the roof garden of the Alexan-  
der Young Hotel to form the Hono-  
lulu branch of the Women's  
Section, Navy League of the  
United States. The object of the  
league is to organize the women  
of the nation into an efficient  
body to promote patriotism and  
national defense, and the women  
wish to get 1,000,000 members by  
January 1.

## J. W. THOMPSON MENTIONED TO SUCCEED DOLE

Former Assistant U. S. Attor-  
ney Seems to Have Backers  
for Judgeship; No Definite  
Selections for Two Federal  
Positions Made

[Special Star-Bulletin Cable]  
WASHINGTON, D. C., Dec. 8.—No  
definite selections have yet been  
made by the department of justice and  
the president of men to fill the vacan-  
cies caused by the resignation of U.  
S. District Attorney Jeff McCann and  
the early expiration of the term of  
Federal Judge Sanford B. Dole.

Attorney-general Gregory is absent  
from Washington just now and will  
probably not take up the subject for  
some time.

The indications are against the re-  
appointment of Judge Dole. J. W.  
Thompson, formerly assistant district  
attorney to McCann, is now most fre-  
quently mentioned to fill Judge Dole's  
shoes.

Nobody has been suggested for Mc-  
Cann's place who seems likely to get it.

## OPPOSE RAISING DUES OF CHAMBER

Shippers' Wharf Fund Cannot  
Be Diverted to Making Up  
Deficit of \$800, Opinion

Opposition to a suggestion that the  
annual dues of the chamber be raised  
as a means of paying off the \$800 de-  
ficit the organization now has, devel-  
oped at the directors' meeting of the  
Chamber of Commerce this afternoon.

Secretary Raymond C. Brown said  
he knew the chamber's 268 members  
did not stand for a raise in the  
dues. E. I. Spalding suggested that  
the money in the shippers' wharf  
fund might be diverted to clearing up  
the deficit. E. D. Tenney and other  
directors objected strenuously to this  
proposal.

A motion by Mr. Spalding that it is  
the sense of the board of directors  
that the shippers' wharf fund should  
not be diverted to meeting the cham-  
ber's general indebtedness, carried  
unanimously.

Considerable routine business was  
transacted, and three new members  
were elected. They are David F.  
Thrum, W. C. Achi and Dr. A. J. Jack-  
son. The chamber voted against un-  
derwriting \$3000 for the support of an  
Army and Navy Y. M. C. A., believing  
that the work comes more within the  
scope of the Honolulu Y. M. C. A.  
than the chamber.

A communication from George A.  
Patty of the Civic Federation, contain-  
ing a copy of resolutions passed by  
the federation, in which the charter  
recently drafted by the charter com-  
mittee was declared a "distinct dis-  
appointment," and a "foe to civic pro-  
gress," was read.

The communication asked the cham-  
ber to endorse its movement to ap-  
point a new committee and draft an  
other charter to be presented the leg-  
islature of 1917 for its approval. The  
communication was referred to Chair-  
man Norman Watkins of the commit-  
tee on county and municipal affairs.

## MURDER CHARGE NOT SUSTAINED, SAYS DECISION

Jury Finds Buchanan, Slayer  
of Wife, Guilty of Assault  
With Dangerous Weapon

### SOLDIER OF 25TH WILL TRY TO GET NEW TRIAL

Conviction, if It Stands, Will  
Mean Discharge From Army  
of Able Corporal

"Guilty of assault with a weapon  
obviously and imminently dangerous  
to life," was the verdict returned by  
a jury in Circuit Judge Ashford's  
court at 1 o'clock this morning in the  
case of Eugene Buchanan, a corporal  
in the 25th Infantry, who was indicted  
by the territorial grand jury on a  
charge of second degree murder.

The charge against Buchanan was  
that early on the morning of October  
26, this year, he shot and killed his  
wife, Laura Buchanan, in their home  
in a lane off Kukui street. The first  
trial of the case resulted in a disagree-  
ment by the jury after it had been out  
for several hours. The second trial  
was begun in Judge Ashford's court  
last Monday morning.

Following the court's charge, the  
case went to the second jury shortly  
before noon yesterday. After deliber-  
ating for about 15 minutes, the mem-  
bers were taken to lunch at the Young  
hotel, returning one hour later. Delib-  
eration on the case continued until  
6 o'clock in the evening, at which time  
the jury went to dinner. They re-  
turned at 7 o'clock and did not arrive  
at a verdict until 1 o'clock this morn-  
ing. The verdict was placed in a  
sealed envelope and opened at 9  
o'clock this morning. The jury mem-  
bers were excused until further notice at-  
tention.

## BREWERY IS NOW AFTER MONEY ON BARTLETT NOTE

A bill for discovery, injunction and  
relief in equity was filed in circuit  
court this afternoon by the Honolulu  
Brewing & Malt Company, against  
Charles G. Bartlett, late presi-  
dent and manager of the brew-  
ery and fugitive from justice, and  
Fred Harrison. The bill seeks to re-  
strain the defendants from transfer-  
ring any of Bartlett's property until  
they enter into a security to pay a  
note amounting to \$1555, which on  
April 27, 1915, was made by Bartlett  
for Thomas A. Marlowe in favor of  
the brewery.

According to Attorney George A. Da-  
vis who, with Horace W. Vaughan, is  
counsel for the brewery, Harrison is  
acting as Bartlett's representative  
here and holds his power of attorney.

The story of Bartlett's execution  
of the note with Marlowe oc-  
cupied much of the time of  
the Oahu liquor license commission  
when the commission was investigat-  
ing the brewery's alleged connection  
with retail liquor business last June.  
It was at that time that the report of  
H. Gooding Field, expert accountant,  
on brewery affairs stirred up a terri-  
fying sensation and finally resulted  
in six indictments being found by  
the territorial grand jury against Bar-  
tlett. In the meantime Bartlett had  
been ousted from office and control by  
the brewery directors, but they did  
not prosecute him for his financial  
irregularities, and he left for the  
mainland, and is now a fugitive from  
justice.

Marlowe testified before the com-  
mission in effect that Bartlett had  
helped and induced him to take hold  
of the Kentucky saloon and had made  
it easy for him to get credit and se-  
cure the note. The brewery, it seem-  
ed, was "stuck" for the amount of  
the note, particularly as Marlowe's  
place was soon after closed by the  
commission and has not been allowed  
to reopen.

## BARS MUSIC AT COUNTY JAIL ON CHRISTMAS DAY

Christmas at the county jail will be  
celebrated this year only by a special  
dinner. Unlike other years, there will  
be no music or sports to enliven the  
holiday. Jailor Joseph J. Fern having  
decided that such a program is not  
advisable.

Fern's decision was made largely  
because of the grand jury's suggestion  
that the discipline at the jail should  
be more strict. Sports and music  
have been generally allowed hereto-  
fore, under Fern's rule, but the jailor  
does not consider a program of this  
kind in line with the kind of disci-  
pline recommended by the grand jury.

A big dinner is to be served Christ-  
mas Day to all prisoners in the coun-  
ty jail, and it is possible that before  
the holiday arrives some other plans  
for the day may be made.

## GERMAN OFFICIAL CABLEGRAMS

"German Headquarters Report, Dec.  
8.—Near Ipek, Serbia, 80 cannons and  
much war material were taken yes-  
terday, and more than two thousand  
were made prisoner.

"On the west front, east of Aubier,  
the enemy's attempts to dispute the  
terrain gained by the Germans failed;  
besides prisoners, three machine  
guns were taken. Germans took  
from the French, northeast of Souain,  
a position 500 meters long on Height  
193. Four counter attacks were re-  
pulsed. One officer and 120 men were  
made prisoner and two machine guns  
taken.

"On the east von Hindenberg's army  
has repulsed isolated advances of mi-  
nor Russian detachments."

## FATE OF BALKAN CAMPAIGN MAY BE DECIDED ON GREAT FIGHT IMPENDING

### PRESIDENT SURE OF RE-ELECTION

Tells National Committeeman  
Anyone Who Thinks Other-  
wise is "Talking Through  
His Hat"

[Associated Press by Federal Wireles]  
WASHINGTON, D. C., Dec. 8.—  
Addressing the members of the Demo-  
cratic national committee, who were  
his guests at luncheon today, Presi-  
dent Wilson asserted:

"Anyone who thinks we shall be  
beaten in 1916 is talking through his  
hat."

He declared that the party should  
be in good order for the next cam-  
paign, because it has fulfilled its pre-  
dication promises.

### 'FORDERS' ARE DISPLEASED AT WILSON'S STAND

[Associated Press by Federal Wireles]  
ABOARD S. S. OSCAR II, Dec. 8.—  
President Wilson's vigorous  
stand for preparedness, as evin-  
ced in his message to Con-  
gress yesterday, has not pleased  
the peace delegates who are with  
Henry Ford on his voyage to  
Europe. The President's message,  
sent to the ship by wireless, was  
read with much eagerness, but  
its demand for a larger army and  
navy and statement that the  
United States must be prepared  
in a military way to resist ag-  
gression, has displeased the Ford  
delegation.

### REPORT MADE TO LEGISLATURE ON WAIALAE SCHOOL

"TOO MUCH LIKE A  
JAIL," SAYS KAUAI  
JUDGE IN LETTER

Judge L. A. Dickey of Kauai,  
after reading the Star-Bulletin's  
account of conditions at the Boys'  
Industrial School, writes as fol-  
lows:

"The Star-Bulletin article on  
the Boys' Industrial School suits  
my idea exactly. I think those  
in charge completely misunder-  
stand the object of the institution  
and are running it as a jail, not  
a reformatory."

Public sentiment for a reorganiza-  
tion of methods at the Boys' Industrial  
School, Waialea, is taking various  
forms since the "mutiny" a few weeks  
ago, the later escape of five boys and  
the recital of conditions given by the  
Star-Bulletin after a first-hand inves-  
tigation.

Critics and defenders of Principal  
H. M. Tucker are coming to the front  
vigorously. One of his personal friends,  
a man who has known him and known  
of his work for years, declares that  
the principal himself is not to blame  
but that the legislature and the de-  
partment of public instruction have  
taken an entirely wrong view of the  
functions of the school and insisted  
that it be run primarily as an indus-  
trial plant instead of a humanitarian  
institution.

In the view of this man, the chief  
trouble at the school is lack of proper  
equipment, both as to buildings and  
as to teaching force. The lack of

### COMMISSIONS FROM SUN YAT-SEN FOUND ON SHANGHAI REBELS

That Sun Yat Sen has been back of  
the attempted Chinese revolution at  
Shanghai is indicated by the following  
statement given out at the Chinese  
consulate in Honolulu today, embody-  
ing a cable from Dr. Wellington Koo  
China's minister to Washington—  
"Honolulu, December 8, 1915.  
"A further cable dated December  
8th, 1915, has been received by this  
Consulate today at noon from the Chi-  
nese Legation at Washington, D. C.,  
as follows:

"Chinese Consul, Honolulu.  
"Peking wires again that in the  
night of December 6th 200 rebels with  
rifles and bombs attempting to seize  
the police station in the Chinese dis-  
trict, Shanghai, were repulsed. Then  
Ki Tant, Ie Ju Chin and 10 others  
were arrested. Over 20 rebels  
were arrested in the French conces-  
sions. Commissions issued by Sun-  
wen (Sun Yat Sen) to rebels seized  
aboard the Chaoho. Shanghai quiet  
—'KOO.'"

Up to 2:45 o'clock this afternoon  
Fred L. Waldron & Company, local  
agents for the Hill Lines, had received  
no word of the progress of the  
liner Great Northern since yesterday  
noon, up to which time she had aver-  
aged 22 1/3 miles per hour on her  
voyage to the coast.

### PEACE RESTORED IN SHANGHAI; REBELS QUELLED BY TROOPS

(Special Cable to Hawaii  
Shimpo)

TOKIO, Dec. 8.—Peace has  
been restored in Shanghai. After  
having captured the arsenal and  
two warships the revolutionists  
finally gave up the fight against  
Yuan Shih-Kai's forces and sur-  
rendered. A despatch from  
Shanghai states that the revolu-  
tionary forces were outnum-  
bered.

### G. O. P. WILLING TO AID DEFENSE NON-PARTISANLY

[Associated Press by Federal Wireles]  
WASHINGTON, D. C., Dec. 8.—No  
partisan fight upon the president's  
military defense program is being pre-  
pared by the Republican forces in the  
senate and so far no evidence of such  
a fight has appeared in Congress.

The senate Republicans have made  
it known that they will not start op-  
position to the program on a partisan  
basis, providing the Democrats do not  
frame the bill in caucus, prevent the  
Republicans from having any voice in  
its preparation, and attempt to make  
it purely a Democratic document.

Senator Gallinger, the Republican  
leader, has told the president that the  
Republicans want the army and the  
navy strengthened and are cooperat-  
ing with the Democrats to get the  
best results possible.

Senator Gallinger says that the  
president told him he would not ap-  
prove of the Democratic caucus mak-  
ing the defense plans party measure.  
The senator disagreed with the presi-  
dent's merchant marine plan. He said  
today he would offer a substitute  
when the administration bill is intro-  
duced.

## ADMINISTRATION IS BACKING SUGAR DUTY WITH ALL WEIGHT; HUNGARIAN ADVOCATES PEACE

SENATE REPUBLICANS WILLING TO HELP PRESIDENT  
WILSON'S PROGRAM PROVIDED DEMOCRATS DO NOT  
START FRAMING IN CAUCUS—EX-PREMIER OF AUSTRIA  
COMES OUT IN FAVOR OF PEACE MOVE

[Associated Press Service by Federal Wireles]  
LONDON, Eng., Dec. 8.—With the remnants of the Serbian  
armies still fighting and retreating behind the Albanian and Monte-  
negro frontiers, it is reported that the bulk of the German and Bul-  
garian armies are concentrating against the Allies who are now hold-  
ing southwest Serbia.

Heavy fighting has been in progress there for the last few days.  
Although the Germans have announced the capture of Ipek, Montene-  
gro, the pursuing Austrians and Bulgarians are evidently confronted  
with a harder task on the Montenegrin frontier than elsewhere.

The Montenegrins are spiritedly resisting. It is reported that  
the French are bringing heavy guns into action in the Strumitza  
section, causing the Bulgarians to retire with heavy losses. A great  
battle between the Bulgarians and the Allies appears pending.

## Sec. McAdoo In Formal Report Says Sugar Duty Revenue Needed

WASHINGTON, D. C., Dec. 8.—Secretary of the Treasury Mc-  
Adoo's annual report, formally transmitted to Congress today, strong-  
ly backs up the president's recommendation for the retention of the  
duty on sugar, quoting figures to show the need of retaining sugar  
on the revenue-producing list.

His report says:

"It is evident that the emergency revenue measure and the exist-  
ing duty on raw sugars can be continued to advantage."

On the subject of securing additional revenue to raise the funds  
that are needed, he proposes to lower the exemption figure of the  
federal income tax, so that the tax will include married persons get-  
ting \$3000 or more, and unmarried persons getting \$2000 or more.  
The present exemption figure is \$3000 for single and \$4000 for mar-  
ried persons. He also recommends that the surtax, or special tax on  
large incomes, should begin at \$10,000 instead of \$20,000, as at  
present.

Mr. McAdoo says that \$4,600,000 of personal taxes and \$30,891,  
000 of corporation taxes remain unpaid.

Speaking of the country's general condition, he declared that  
it is the strongest financially in its entire history, and quoted reports  
from Dun's and Bradstreet's financial journals in proof of his state-  
ment. The gold in the United States on November 1, he pointed out,  
was the largest amount ever held in one country, amounting to \$2,198,  
113,762 against \$1,805,876,580 on January 2, 1915.

The total estimated appropriations for the next fiscal year he  
gave as \$1,285,857,808, including \$316,364,879 for the postal service,  
which is reimbursable, and \$90,000,000 for the Panama Canal and  
sinking funds.

The receipts he estimated at \$580,200,000, ordinary disbursements  
at \$832,901,000, and deficit at \$252,701,000, which, he says, will be  
reduced to about \$50,000,000 by the extension of the emergency war  
taxes and the continuance of the duty on raw sugar.

The secretary recommends taxes on gasoline, crude oil, autos,  
etc., as President Wilson did in his message.

## Communipaw Captured, Not Sunk, Ambassador Page of Rome Cables

WASHINGTON, D. C., Dec. 18.—The state department has re-  
ceived a despatch from Ambassador Thomas Nelson Page at Rome  
saying that he has been informed the Standard Oil steamer Com-  
munipaw has been captured and taken to an unnamed port. The  
nationality of the captors is not named.

(The Communipaw, it was reported this morning, had been tor-  
pedoed and sunk off the Tripoli coast, presumably by an Austrian  
submarine.)

## Hungarian Statesman Urges Peace Move be Made; Foresees Victory

[Associated Press Service by Federal Wireles]  
AMSTERDAM, Netherlands, Dec. 8.—News has reached here  
that Julius Andrássy, ex-premier of Hungary and one of the leading  
Hungarian statesmen, in a speech in the chamber of deputies dealt  
with the possibility of peace and the advisability of making a peace  
move at this time.

"It is human duty to make peace at the earliest moment," he  
declared. "I am completely convinced that we shall be able to con-  
quer the most extreme resistance of the enemy and continue the war  
until our adversaries are forced to ask for peace, but it would be a  
blessing to conclude peace before the last moment."

## Kaiser Interested In Recall Cases

WASHINGTON, D. C., Dec. 8.—The Kaiser has a personal inter-  
est in the case of Capt. Von Papen and Boy-Ed, it is learned. The  
two attaches, now the subject of a request by the United States for  
recall, were personally appointed by the Kaiser and he will probably  
personally order their withdrawal. The United States has indicated  
that their activities render them persons non grata to this government.

## Berlin Says Montenegro Would Quit

BERLIN, Germany, Dec. 8.—According to the Overseas News  
Agency, Montenegro is so badly beaten that its leaders have ex-  
pressed a desire for separate peace, being unable to withstand the  
superior forces of the enemy.
